FOR ALL FUEL DISCOUNTS: Purchases subject to credit approval. See the Fuel Discounts Program Terms for details. Synchrony Bank has the right to change or terminate any promotional offers. Fuel Discounts, including introductory, ongoing base and limited time offers earned from Chevron and Texaco fuel purchases, accrue during your billing period and, depending on dispenser capability at the station, will be applied either as (a) a cents-per-gallon discount at the pump (which may be referred to as Instant Fuel Discounts) or (b) a statement credit to a balance on your account at the end of the billing period in which they are earned. Visa Spend Fuel Discounts earned from qualifying purchases made outside of fuel merchants will be applied as a statement credit.
